Membership, Fees, Prizes

This section encompasses the basics for League Configuration, as well as the associated responsibilities with ownership of a PYFHL Team.

Membership and Status

Basic Membership Requirements for League Manager

All who are willing to play and uphold the competitive spirit that the commissioners have set forth are candidates for PYFHL. Reasonable connection to other league members, as well as desire to compete and win are the primary and forthcoming requirements for league members (also known as Managers).

Changing membership

Given the status of this league as a Keeper league, managers are expected to compete for a multiple number of years, and a member is assumed to have a continued desire of continue their membership for the following season upon making a trade of any future draft pick to another team.

If a member decides to leave the league the following year, they are required to front next year's league fees to either commissioner or co-commissioner, regardless of whether they plan on competing. That said, exceptions can be made in cases where a hardship prevents the manager from competing, or if the manager agrees to pay a reduced fee in an effort to help attract a replacement manager.

Entry Fees

League fee is $50/manager/year (non-negotiable) and is due prior to draft. It is preferred that managers proactively pay any commissioner prior to the draft without request to reduce the complexity of commissioners hounding managers for payments. Exceptions can be made if the manager has incurred an unforeseen hardship, as long as the request is brought to the commissioner as soon as it is known.

Managers can pay via the following Electronic Payment Methods:

- Cashapp: $AdamZaloum
- Venmo: @Adam-Zaloum
- Paypal: azaloum90@gmail.com
- Zelle: 862-220-7320

Prizes

Cash Prizes are awarded in several different manners.

Top three playoff finishers receive the following prizes:

Standing	Prize Amount
1st Place	$200
2nd Place	$130
